Dear Parents,

Greetings from CIS

Hope all are doing well.

We would like to inform you that the Orientation for parents ( Academic Year 2021-22) and the instruction regarding online classes will be held on 2<sup>nd</sup> June 2021 (Wednesday) and the online classes will commence from 3<sup>rd</sup> June 2021 ( Thursday) .

At the onset, bridge course will be conducted mainly to bridge the learning gap between the previous year content and the current academic year curriculum. In the first few weeks, we will be focusing on refreshing the previous year knowledge and make the existing and new students to get familiar among themselves and comfortable with Online system ( MCB ).

Parents are requested to use **MY CLASSBOARD PARENTAL PORTAL** for online classes. Students can use computer or smart phone (with microphone to avoid distraction) for online classes.

Parents who have not paid the fee are reminded to pay the fee at the earliest.

Due to Bangalore lockdown, we haven't received the Books and Stationery from the vendor. We will be using eBooks for teaching and learning until we receive the books and stationeries from the vendor. Parents will be updated regarding this.

Once we receive the books from the vendor, amount will be updated in the MCB App and notified to the parents. Once the books and stationery amount are paid, separate timings will be allotted for the parents to come and collect the books from the school following all the safety protocol.
