Dear Parents,

Greetings from Chistiya International School!

Hope all are doing well!

As you all aware that CIS focusses on Academic Excellence along with inculcating moral values in students. In this regard, we request all our valuable parents to encourage your wards to follow the morning routine which was practiced during the regular school days ( like getting up early in the morning, taking bath, dress up in neat school uniform, hair neatly combed, girls with two plaited hair etc) . Our uniform is part of our school identity, uniting our students and we hope wearing uniform gives a sense of Pride for the students.

We noticed that few students are attending the online classes straight from bed, uncombed hair, not sitting in a proper place, neighbours or kids sitting nearby etc. during online class. This distracts the other students as well.

So, once again we reiterate the parents to encourage our students to get up early in the morning, follow the morning routine, wear school uniform and sit in a proper place for online class where there is no disturbance. Microphone or headphone should be compulsorily used by the child as the teachers get frequently distracted by the external sound heard from the house.

Those students who have joined this academic year can be seated with decent dress code during the online classes. (sleeveless T- shirt and shorts are strictly not allowed).

We request your fullest cooperation in this regard.

Regards

CIS
